We will undertake the following:

1. The Premises will be arranged so that from the easing of Stage 3 restrictions a maximum of 72 people will be able to attend and follow the distancing requirements of 1.5m between people and no more than 1 person per 4sqm inside. Only SCCBC club members can attend the playing sessions.
2. Each Member, on arrival, must pass the COVID questionnaire on current health status, have their temperature tested, and use the hand sanitiser provided before entering the club.
3. All players are encouraged to have received the 2020 flu vaccine and have downloaded the COVID19 Safe app to their phone.
4. All players must provide their own writing material and water bottle (if required).
5. All players will follow these protocols:
 - a. At the end of each round – use hand sanitiser and wipe the playing surface before moving to the next table
 - b. Ensure the Bridgemates are used by only one person (usually North), checking of scores visually only
 - c. The boards will be wiped down before being passed to the next table.
6. At the mid-play break players can use the provided disposable cups, individually wrapped sachets for biscuits and sugar and disposable stirring sticks. Milk, if required, will be in UHT containers (as for hotels etc). Access to hot water urns to be monitored to ensure social distancing is adhered to.
7. The dealing of boards to include a wipe down of the outside of the card carrier before distribution
8. Each board will be only used once in every two-week period to minimise frequent board re-use
9. At the end of play, the premises will be thoroughly cleaned including all equipment, tables and chairs that have been used.

Brian Cordiner, President
