Your club has numerous activities that require volunteers. Over the years the number of volunteers has decreased. Out of a 'Home' membership of 318 there are about 35 volunteers. This excludes dealers who are remunerated. We are looking to increase the number of volunteers. There are never too many volunteers. A strong club is when there is high member participation.

Volunteering brings a sense of belonging and gives a feeling of achievement.

There is a need for qualified directors

A playing director running a session does not pay a table fee for that session.

- Please speak to our Games Director – Peter Busch 0438 336 632 – about the process to be a qualified director.

Dealers

Without pre-dealt boards there would be no handouts and directors' workload would increase significantly. Dealers are paid per box. The more dealers the risk of not having pre-dealt boards diminishes.

- Contact Warren Holmes 0411 474 188 for further information and to record your interest.

PLEASE consider skills that you could contribute AND GET INVOLVED. Some of the volunteer tasks are listed below. Speak to a member of your committee about becoming a volunteer.
